one they believe it might be attained, if neces-

e abla conclusively to abow how injuriously

13.-The second objection above referred to in the other colonies as Cousul, is less likely to s that a compulsory payment of transit duty ! bellet it seems only necessary to refer to the hadhlend, and within the reach of the Chinese experience of the past ten years, in which the officials. If, as has been olleged, the appointcomplaints of merchants in Chia, have been corroborated by the despatches of our officials there. The chief markets of the interior are found in the regions watered by the two gren: Memorialists are sixions it should be clearly rivers, the Houng-ho and the Yang tezo, with ! their tributaries, amid which exists the most extensive system of waterways in the world. These serve to irrigate an area of five hundred

people buyond, their heavy cost becomes nearly prohibitory, owing partly to charges of trans-mission, but multily to multiplied loval transit dues levied at successive barriers on the way and its main evils consist in the excessive amount of duties repeatedly paid in the course of a lengthened journey, and is the mode of evy, which is often capricious, arbitrary and authority at Poking, but by the contral provincial governors, or even of subor limite local authorities. It was to clear our gunds through these obstructions that Article It is now promosed to give back to Uhina a portion of its former concessions, as the price XX VIII of the Treuty of Tientsin was devised.

of Rew privileges; and in this policy the con-It had failed partially from three causes,first, the transit certificates obtained at the But the negotiators have everlooked the consiorls were not respected at the interior barriers, but further dues were openly exacted. Britain that fixes the terms of the new arrangesocond, the question of ownership was nowar-ment, on the next revision of a Trenty it may be muntably reject, and bertificates were rejuged some other power, and that power possibly unwhen the goods had passed into the bands of Chinese buyers and third, the attempt of Chinese buyers and third, the attempt to introduce ate mere into the inland waters, the most free to claim the privileges obtained by its encouraging results, was summarily prohibited neighbour nuless it took them with all the by the Ohinese Government. The convention is stipulating for the additional compulsory is stipulating for the additional compulsory in stipulating for the additional compulsory is stipulating for the additional compulsory in stipulating for the additional compulsory is stipulating for the additional compulsory is stipulating for the additional compulsory is stipulated in the control of the con payment of 2½ per cent, at the pert of entry, indeed no practical arrangement whatever for the abatament of these evils; and offers no system of redress in the certain event of their constant of redress in the certain event of their constant in the certain event of the certai tem of redress in the certain event of their con- interest in tes. Its Government unight turns tinuance. Your Memorialists concur in the their con- it advantageous to arrange with the Chinese view taken by the Shanghai Chamber of Commerce, who, when consuited by Sir Rutherford Alcock in the spring of 1819 upon this very proposal, resolved as follows: "This meeting considers that the proposed modification of the British subjects claimed the same privilege Article I. of this Convention would be queted

Treaty as to transit does, by which 24 per cent should be used by the Chinese to show that if they wished to and cease to be optional, is the least satisfactory of all forms by which the levy could be collect.

Article I. of this Convention would be quoted by the Chinese to show that if they wished to enjoy it, the accompanying condition must be that they pay double duty on tea. And as this condition could not be assented to the critical condition could not be assented to the critical condition could not be assented to the critical condition could be dusted by the Chinese to show that if they wished to enjoy it. ed, and contrary to the general interest of trade, and that it would only add by so inneb to all trade must pass into the hands of other the cost of taken and that it would only add by so inneb to the cost of taking goods into the interior, as local dues in some shape or other are sure to be superadded." Marchants, however, are now invited to the interior, as would be unable to compete. Or take the case of another Treaty Power which has no trade with Ohina, but is mainly anxious for a political invited to rely upon an engagement of the same standing and inducace in that country. Supkeeping previous promises; and they may be parduned for showing some suspicion that the right of access to the Yangtazo and the whole new article will not be better observed than the of the interior, which is of no practical im-15,769.54 New article will not be better observed than the old. Indeed it has always been feared by your Memorialists that even if the gentral government to ment really desired to abolish all internal dues in the Treaty Port Provinces, they would have difficulty in doing so. The provincial authority which would thenceforth possess an undounted 41,985.88 difficulty in doing so. The provincial authori-Estimated Balance... 221,733.02 ties have to provide their own jevenies without pre-eminence at Poking, and in the estimasubsidies from Peking, and it will not be found 2263.718 40 an easy matter to make them forego a conve-

tion of native politicians occupy the first place mining outer nations. It might even suit rient and acoustomed method of ruising funds up some of the smaller powers, and grant by taxing foreign commodition. If your Lord-

realists look upon the compulsory payment at the port of entry of the 2½ percent transit duty as likely to prove an additional impost on British manufactures in the nine Treaty provinces, while the right of exemption which we now possess from further exactions in excess secured by former Treaties, and the imposition the transit duty throughout the rest of secured by former Treaties, and the imposition Onius is relinquished. There are some districts of the additional duties to which we have take Ohina is relinquished. There are some districts in which the tax has hitherto been triding, such in which the tax has hitherto been triding, such bourhood, and the metropolitan province supplied from Tientain. In these cases the full Eg per cont. Will now be levied instead of the smallerambing previously paid. Even as regards the extensive territory of Manchurla, hitherto exempt from transit duties, though the Chinese Government states that the extra 12 per cont. shall not at present be levied at its port of New-chwang, there is no security whatever for this immunity being permanent. The sum added to the Imperial Exchequer from this new payment on piece goods may be estimated at \$170,000 per annum. On reviewing the whole of the foregoing fiscal alterations, it will be

of the foregoing flacal alterations, it will be as she has sought no special privileges for seen that while the concessions yielded by the Chinese amount to only £6,700 per annua, those granted to them amount to £790,000 per Mamount in a contrast to £380,000 per annum, the great bulk of which. will have to be borne by the trade of this; possibly untriendly neighbours, not less so. In these considerations your Memorialists find additional and coneut teasons for urging a 15-The provisions on to tonnage duce, reconsideration of much that has a place in the

THE CITY MEMORIAL TO LORD CLARENDON. is that a compulsory payment of transit duty by the importer will fail to protect the goods so charged from further exactions, even in the so charged from further exactions, even in the sided, as he would be, by the directmentance of Treaty port provinces. In justification of this their familes and connections being upon the helief it seems only necessary to refer to the mainland, and within the reach of the Chinese experience of the past ten years, in which the officials. If, as has been alleged, the appointment of merchants in China have been ment of Gonaul is proposed for the purpose of orroborated by the despatches of our officials preventing illegal shipments by the Chinese times. The chief markets of the interior are from Hongkong to non Treaty ports, your found in the regions watered by the two great Memorialists are anxious it should be clearly rivers, the Hoang bo and the Yang tsze, with understood that they are not avere to their tributaries, amid which exists the most extensive system of waterways in the world. But they believe it might be attained, if neces-These serve to irrigate an area of five hundred thousand square miles, and afford the principal means of communication to a population exceeding one hundred millions. British manufactories have bitherto done little more than reach the outskirts of this rast territory. To the people beyond, their heavy cost becomes nearly the charges of transprohibitory, owing partly to charges of trans-mission, but mainly to multiplied local transit dues levied at successive parriers on the way agreement that the Convention is not to take from the port to the interior, and to other effect until ratified by all the Treaty Powers, internal taxation. This system of taxation is the natire validity of the negotiation depends. are who had deeply rooted in the meages of the country; Until now every ounces ion made by the Chinese and its main crits consist in the oxcessive to one power became, under the operation of and its main evils consist in the discourse to one power became, under the operation of amount of duties repeatedly gaid in the course the "most favoured na ion clause," the property of a lengthened journey, and in the mode of all the rest. By each new Treaty it has been nevertain, not regulated by the central China further to western commerce and civilianthority at Peking, but by the edicts of eation, and hence the operation of this chause provincial governors, or even of subor mate was simple and intelligible. For the first time local authorities. It was to clear our goods it is now proposed to give back to China a through these obstructions that Arlicle portion of its former concessions, as the principal portion of its former concessions, as the principal contents and the principal concessions. XXVIII of the Treaty of Tientsin was devised. portion of its former concessions, as the price of the Treaty of Tientsin was devised. of new privileges; and in this policy the con-It had failed partially from three causes. currence of other nations has to be sought. first, the transit certificates obtained at the Rut the negotiators have overlooked the coust. ports were not respected at the interior deration that while on this occasion it is Great. barriers, but further dues were openly exactedescond, the question of ownership was unwarrantably second, and certificates were refused ment, on the next rand that power possibly the swhen the goods had passed into the hands friendly, or at least indifferent to our intercels. of Chinese buyers and third, the attempt Yet by its own act Great British would not be to introduce steamers into the inland waters, which had been commonded with the most neighbour unless it took them with all the encouraging results, was summarily prohibited encouraging results, was summarily prohibited accompanying disabilities and restrictions. The by the Chinese Government. The convention case will be made more intelligible by an in supulating for the additional compulsory illustration or two. Let the instance be taken. payment of 24 per ceat. at the port of entry, of a Treaty Power largely interested in the silk makes no practical arrangement whatever for the abatement of these evils, and offers no system to the first property of their constant makes interest in the Guvernment might think interest in the constant of their constant might think interest in the constant of their constant might think interest in the constant of their constant might think interest in the constant might be constant migh tem of redress in the certain event of their conconsiders that the proposed modification of the Treaty as to transit does, by which 2s per cent, should be made payable at the ports of entry and cease to be optional, is the least satisfactory of all forms by which the lavy could be collect.

Article I. of this Convention would be quoted by the Chineso to show that if they wished to enjoy is the accompanying condition must be that they pay double duty on tea. And as this condition could not be assented to, the entire ed, and contrary to the general interest of condition could not be assented to, the entire trade, and that it would only add by so such to trade, and that it would only add by so much to the countries, with whose merchants British buyers the countries in some shape or other are sure to be superadded." Merchants, however, are now invited to rely upon an engagement of the same Government which has so signally failed in keeping previous promises; and they may be pardoned for showing some suspicion that the new article will not be better observed than the old. Indeed it has always been forced by your 15,769 54 Memorialists that even if the central govern-ment really desired to abulish all internal dues such a sacrifice, and yet without it could not in the Treaty Port Provinces, they would have enjoy the privilege conceded to its neighbour, 221,738,02 ties have to provide their own revenues without pre-eminence at Peking, and in the estima-41,985.38 difficulty in doing so. The provincial authorisubsidies from Peking, and it will not be found 263.718.40 an easy matter to make them forego a convebelance | ship were able to assure the mercantile commudit of the nity that Covernment possessed or were prepared to exact, effectual guarantees for the fulfilment of this stipulation, the exan would be altered; Police Ei. but the mere written engagement of the Chinese Government can scarcely be considered of years that have intervened up to the present as a port of entry and its immediate neigh-GAMELIEG immunity being permanent. The sum added to the Imperial Exchanger from this new payment on piece goods may be estimated at of the foregoing fiscal alterations, it will be seen that while the concessions yielded by the Chinese amount to only £6,700 per annum. those granted to them amount to £700,000 per annum, or omitting the tax on Indian opium, to £380,000 per annum, the great bulk of which will have to be borne by the trade of this 15-The provisions as to tonunge dues 8543.15 though they include a new charge, that on opportunity of explaining in personnl confer-10,7,954 hitherto paying nothing. eation, and beace the operation of this clause Britain that fires the terms of the new arrange. ment, on the next revision of a Treaty it may be free to claim the privileges obtained by its

It advantageous to arrange with the Chinese tinuance. Your Memorialists concur in the view taken by the Shanghai Chamber of Commerce, who, when contacted by Sir Rutherford Alcock in the spring of 1869 upon this very proposal, resolved as follows: This meeting British subjects claimed the same privilege, considers that the proposed medification of the Article I. of this Convention would be quoted condition could not be assented to, the entire portance to ite subjects. Great Britain, with Indeed it has always been feared by your lie wast trading interests could not assent to which would thenceforth possess an undoubted tion of native politicians accupy the first place among ouler nations. It might even suit plent and accustomed insthad of raising funds the policy of Chinese states men to take by taxing foreign commodities. If your Lord-ship were able to assure the mercantile commu-Abandoning Treaty rights of great moment to others, though of none to themselves. In short, in this article may be discovered the germs of much present embarrassment and of eventual disagreement of the most serious nature, both more value now than in 1868, or than in all the with China and with those Western powers . whose friendly and united action line bitberto heen a guarantee for peace and security to the permanence and development of their trade. rialists look upon the compaintry payment at the port of entry of the 2) percent transit duty as likely to prove an additional impost on British manufactures in the nine Treaty provinces, while the right of exemption which we have received for the counterbalance the disadvantages in the respectfully to state that in their opinion the benefits proposed to be conferred upon British trade by this Convention are wholly inadequate to counterbalance the disadvantages involved in the withdrawal of rights and privileges we now possess from further exactions in excess secured by former Treaties, and the imposition China is relinquished. There are some dist-late of the additional duties to which medate take.

in which the tar has hitherto been triffing, such to Uhins, are either in the form of a mone ourbood, and the metropolitan province payment, or they are the relinquishment by per cent, will now be levied instead of the privileges; while the equivalents offered, with smaller amount previously paid. Even as regards the triffing exception of the duty on some the extensive territory of Manchurin, hitherto the extensive territory of Manchurin, hitherto plainly of equal advantage to the subjects of xempt from transil duties, though the Chinese loth Nations. The Convention forms the livet convention forms the livet Government states that the extra 24 per cent. distinct evidence of a retrograde policy in China, chwang, there is no security whatever for this than which nothing can be more nawise, buting to the pains and sperifices with which our present commercial position has been attained: In this labour of a generation Great 2170,000 per anaum. On reviewing the whole Britain has ever taken the forement place; and as she has sought no special privileges for herse'f, all foreign nations have reaped, the benefits of her suterprise. To abandon any of he advantages thus acquired seems to your Memorialists most aninidal; to hold them at the pleasure or subject to the intrigues of possibly unfriendly neighbours, not less so. In these considerations your Memorialists find raconsideration of much that has a place in the (Article VII.) are not of very great moment, Convention. They will be glad to have the enceany point on which may be possible to give
